

Senior PHP Developer | London, United Kingdom

About Vendigo

Vendigo is a well-funded provider of a point-of-sale financing platform that connects consumers, merchants and lenders. Vendigo helps companies maximize their sales by reaching more customers and by guaranteeing payment. Vendigo wants to offer consumers the highest approval rates and the best loan terms by partnering with market leading banks.

The role

Do you want to be part of creating Europe's next leading tech startup? Join us in our new London office, situated in the heart of Mayfair. We are looking for a great Senior PHP Developer to be part of our amazing team. The right person should have a proven track record working on scalable web applications within a lean agile environment, with a strong focus on delivery, quality & automation. Above all we are looking for a team player, with strong work ethic and a can-do, startup mentality.

We are currently working with these technologies

PHP7, Yii2, MySQL, Vue.js, JavaScript, Redis, SASS, CSS, HTML5, Codeception, Selenium, Jenkins, AWS, Docker, Mercurial, BitBucket, JIRA, Grunt, Composer.

Key responsibilities

- Writing high-quality code, backed by unit tests
- Deploying, running and supporting the services you build
- Championing performance, reliability and security
- Communicating effectively in a closely-knit team
- Understanding and contributing to the overall tech architecture

Key technical skills

- 6+ years of PHP
- 6+ years of MySQL
- Excellent working knowledge of Yii2
- Experience building & consuming both RESTful & SOAP / XML APIs
- Unit testing using Codeception, PHPUnit or similar
- Vue.js / JavaScript
- CSS / SASS
- HTML5
- CI / CD with Jenkins
- Working knowledge of AWS
- Mercurial / Git

- Grunt / Composer

The company offers a chance to

- Become an integral part of one of the leading tech startups in Europe
- Have a career in a high-growth technology company
- Have a lead role and significantly influence the growth trajectory of the company
- Join a passionate ambitious team
- Modern offices in the heart of Mayfair
- Free coffee, tea, fresh fruits and snacks
